900 SERIES LIQUID-COOLED FRONTMOUNT™

The ultimate Contour-Cut FrontMount™ performer

900 D 1.3L

1.3L, 3-cylinder, liquid-cooled MaxTorqueⁿ Clean Diesel engine

with horizontal

crankshaft

The 900 Series mowers deliver more power, durability and maneuverability than any mower in their class. They are equipped with a Tier 4-compliant clean diesel engine. Perfect for fleet operations, these mowers combine True ZeroTurn™ maneuverability with a quality cut and versatile performance. DuraMax® decks deliver a manicured cut and let you cover more ground in less time, while a complete line of efficient snow removal and turf renovation implements work year-round.

The horizontal crankshaft configuration with uniform cooling, airflow and internal lubrication adds performance life to the engine.

Robust 21cc G3 pump-and-wheel motor systems are design-matched for Grasshopper mowers. They feature CoolFan™ cooling systems and 7-micron absolute filters. The pumps are driven by a single flat and serpentine, grooved belt. These features ensure smooth and responsive steering, less maintenance and 1,000-hour fluid change intervals.

Excellent weight distribution provides a smoother ride and lighter footprint.

5.5-inch (14-cm) deep DuraMax® contour-cut decks feature anvil-edged design for exceptional durability and easily convert from wide-pattern side discharge to optional mulching or vacuum collection systems. A dedicated rear-discharge deck is also available.

Change cutting height easily on the job with the flip of the PowerFold® switch. Use the same switch to electrically fold up the deck for storage and easy maintenance.

The deep-cushioned Premium Comfort Seat is embroidered with the Grasshopper logo and features CoolTemp Cordura® with lumbar support and coil-spring suspension to keep the operator comfortably in control for all-day comfort. Adjustable cup holders let you tote along your favorite beverage. All models feature an electronic fuel gauge/hour meter on the console and two USB charging ports.

QuikAjust Tilt™ steering levers with "no tools" adjustment provide a 9-inch (23-cm) range for maximum comfort and fit.

Quickly attach a wide range of seasonal implements with the exclusive QuikConverter™ Implement System to save time and labor on all your jobs. Power units include standard wiring harness for the addition of electric-powered implements.

Mowing speeds up to 17.7 KPH and 2.92 hectares/hr. based on 72" (183-cm) cutting width* For more details visit: grasshoppermower.com/acres

Drive Wheels (4-ply rated): 24 x 12-12 bar tread, high flotation	•
Drive Wheels (4-ply rated): 24 x 12-12 , turf tread	0
Tail Wheel: Wide-Stance, Single-Fork, 13 x 6.5-6 rib tread, pneumatic (2)	•
POWER UNIT DIMENSIONS	
Width: 54.5 in. (138.4 cm)	•
Length: 70.0 in. (177.8 cm)	•
Height (ROPS): 69.5 in. (176.5 cm)	•
Height (seat back/seat cushion): 47.0 in. (119.4 cm)/ 31.5 in. (80.0 cm)	•
Wheelbase: 54.5 in. (138.4 cm)	•
WEIGHT	
Uncrated: 1150 lbs. (521.6 kg)	•

DURAMAX® CONTOUR-CUT DECKS		
Model	3661	3472
Width of cut	61 in. (154.9 cm)	72 in. (182.9 cm)
Width with deflector down	74.5 in. (189.2 cm)	85.5 in. (227.3 cm)
Width with deflector raised	64.0 in. (162.6 cm)	75.0 in. (190.5 cm)
Width (mulching)	62.5 in. (158.8 cm)	73.5 in. (186.7 cm)
Cutting Height*	1.25 to 5.0 in. (3.2 cm to 12.7 cm)	
PowerFold [®]	•	•
Compatibility		
900D	•	•
	1 1 1	

Construction (Robotic-welded steel)

Tubular 2.25 in. x 4 in. boxed members with 0.25 in. gussets. Formed double thickness hardened steel (0.269 in. −7.6% thicker than 0.25 in. (6.35 mm) truss spindle plane and (3) Sentry™ spindles and a triple-strength upper deck, over 1/2 inch thick in stress zones. Geometrically engineered design with 7 gauge skirts withstands the brunt of commercial mowing.

Blades† (MARBAIN®, 1/4-in.)			
Tempered, alloy steel	(3) 21 in. (53.3 cm)	(3) 25 in. (63.5 cm)	
†High-lift blades standard			

Spindle Assemblies

2.5 cm (approx. 1 in.) 0.D. shaft. Double bearings. Greasable from top of deck.

Deck spindle cones shield housing and lower bearings from fiber wrap and dirt ingestion. Machined aluminum alloy housing.

Spindle Housing – 8 in. (20.3 cm)-diameter with 6 bolt pattern			
Machined aluminum		•	•
Blade Drive			
	Maintenance-free	gearbox with single Kevlar® V-belt and id	er arm tensioning.

Trimability		
(outside of tire to left trim side)	6.25 in. (15.9 cm)	12.25 in. (31.1 cm)
Power Unit/Deck Length	1	
Deck (mowing position)	112.5 in. (285.8 cm)	120.5 in. (306.1 cm)
Deck (folded up)	94.0 in. (238.8 cm)	107.0 in. (271.8 cm)
Tire Size (4-ply rated): 11 x 4-5 (flat-proof)	•	
Tire Size (4-ply rated): 13 x 6.5-6 (rib tread, pneumatic)		•
Weight Heaveted		

pneumatic)			
Weight Uncrated			
Side Discharge	445 lbs. (201.8 kg)	545 lbs. (247.2 kg)	
Mulching Package††	36 lbs. (16.3 kg)	44 lbs. (20.0 kg)	
††Mulching package includes high-low mulching blades			

- Standard Option
- * 1.25" is reached with the combination of raising deck forks to top position AND moving tractor mounts lower by one set of holes. 5.0" height is reached using High Mow Kit #503289 for 61" deck, or #503287 for 72" deck.
